PRIVATE, IN-HOUSE TRAINING CONTRACTS

Life Skills Coach Certificate Program

This certificate program prepares group leaders to develop and deliver dynamic workshops and training programs using the NewStart model of adult education. Completing the certificate provides group leaders with experiential learning tools and techniques applicable to a wide range of adult learning environments.

Flat Fee

The flat fee for Life Skills Coach Phase 1 and/or Phase 2 training is \$9,500 (5 days) and includes all the training material. Please note, trainer's expenses and courier costs are not included in this training fee.

Number of participants

The fee covers up to 15 participants per training session. A fee of \$600 per person is required for additional participants to a maximum of 18 per training session.

Benefits of contracting training services

- Savings in training fees per person
- Options to open seats to other agencies or community members
- Flexibility to set dates suitable to your needs
- Choice of training location

Promoting the Program

We will provide you with a flyer and course outline to help you promote the training in your community.

Training Contracts Feedback...

"A private in-house training allowed us to train supervisors and front line staff... together they set new standards for the quality and consistency of our Life Skills programs."

"We filled a training session between a few agencies and trained all who needed it."

"An affordable training solution for geographically remote communities"
